COLLECTION PREMIUM
CATALOGUE PRINTEMPS 2018

Créé en 1970 par Marcel FERSTLER, la marque Cristal de Paris spécialisée dans la taille, la décoration et le polissage d'objets en cristal, emploie aujourd'hui 18 personnes et exporte 70% de son C.A. dans plus de 50 pays.

En 2002, la pâte de verre fait son apparition dans la collection et l'association innovante du cristal transparent avec la pâte de verre a immédiatement conquis les consommateurs et devient le «STYLE» Cristal de Paris.

Depuis 2005, Guy et Gilles FERSTLER, les fils du fondateur, perpétuent cette tradition familiale du bel objet.

En juin 2014, Dorian FERSTLER, fils de Guy, rejoint à son tour l'entreprise familiale, c'est donc la troisième génération à Cristal de Paris. 2015 marque le début d'une belle collaboration avec le designer français «Benjamin Auzier».

Par son style novateur et contemporain, ce designer a commencé à revisiter les classiques de Cristal de Paris.

Ses premières créations : le seau à champagne «Le Solitaire», le nouveau décor or «Lanterne» et surtout le nouveau verre à whisky pour la célébration des 90 ans de l'hôtel Le Bristol à Paris.

Cristal de Paris s'inscrit comme une marque «PREMIUM», véritable passerelle vers les marques de luxe : de la pièce unique à la série, nous sommes à votre écoute et à votre service.

The Cristal de Paris brand was created in 1970 by Marcel FERSTLER and specialises in cutting, decorating and polishing crystal objects. Today, it has 18 employees and exports to more than 50 countries, with these exports accounting for 70% of its turnover.

Pâte de verre (glass paste) made its appearance in the collection in 2002. Its innovative combination with transparent crystal immediately won over consumers and became a mark of Cristal de Paris «STYLE».

Since 2005, Guy and Gilles FERSTLER, the sons of the founder, have continued this family tradition of fine objects.

In January 2014, Guy's son, Dorian FERSTLER, also joined the family business, representing the third generation at Cristal de Paris.

Cristal de Paris has continued to keep its production tools at the cutting edge, with the latest generation of acid polishing lines installed in June 2014.

2015 marked the beginning of a wonderful partnership with the french designer Benjamin Auzier.

With his contemporary and innovative style, he has begun to give a new look to some Cristal de Paris classics.

His first designs: the Le Solitaire champagne bucket, the new Lanterne Or glass collection, and especially a new whisky glass to celebrate the 90th anniversary of the luxury hotel Le Bristol Paris.

Cristal de Paris positions itself as a «PREMIUM» brand - a pathway towards luxury, with one-off and series pieces. We are at your service, ready to listen to your requirements.

MARKING
INVOLVES MAKING MARKS TO INDICATE THE DECORATIVE PATTERN BOUNDARIES TO THE CUTTER.

CUTTING USING A DIAMOND-TIPPED WHEEL
THE REQUIRED DECORATIVE PATTERN IS CUT IN THE CRYSTAL USING WHEELS OF VARIOUS GRAINS AND SHAPES. SOME PATTERNS REQUIRE MORE THAN 5 DIFFERENT WHEELS.

MANUAL POLISHING

MANUAL POLISHING IS CARRIED OUT BY APPLYING ABRASIVE SLURRY TO A CORK WHEEL.

BUFFING

VISUAL DEFECTS CAN BE CORRECTED AND AN EXCEPTIONAL FINISH CAN BE PROVIDED BY APPLYING POLISH TO A FELT BUFFING WHEEL.

**DIAMOND SAW
TO CUT THE «PÂTE
DE VERRE» BUTTON**

**GLUING
PER Ultra Violet PROCESS**

**CHECKING OF GLASSES
AFTER POLISHING**

ACIDIC POLISHING
ACIDIC POLISHING GIVES CUT OBJECTS A SPARKLING, SHINY FINISH BY DIPPING THEM IN A MIXTURE OF HYDROCHLORIC AND SULFURIC ACID FOR ABOUT 35 MINUTES. IT IS ESSENTIAL TO PROPERLY CONTROL THIS UNSTABLE MIXTURE AS A VARIATION OF 2% TO 3% WILL MAKE ALL THE DIFFERENCE TO THE QUALITY OF THE FINAL PRODUCT.

SANDBLASTING
A MATT OR GLOSS FINISH CAN BE OBTAINED THROUGH SANDBLASTING. THIS PROCESS IS ALSO USED FOR MARKING LOGOS.
